@KoprowskiT

Data

Data.

?

Data.

gathered body of facts

# Data.

data is information that has been translated into a form that is more convenient to move or process

Data.

communications

Data.

information

Data.

transactions

Data.

the internet of things

Data.

the internet of everything

Data.

the internet of nothing

Collaboration

# Collaboration

?

Collaboration.

the internet of nothing

Collaboration.

technology

# Collaboration.

social media

Collaboration.

technology hub

Collaboration.

community

# Collaboration.

barriers

# Trust. The Primer

Trust.

?

# Trust. High Availability

what is high availability?
